holy roman empire the propalyde himself  
1:08

1:11  
directly from the struggle between these  
1:13  
two powers the gifts are also called  
1:16  
denarii black puffs or black nobility  
1:19

1:26  
the Bank of England and the East India  
1:28  
Company which would rule the world from  
1:30  
the 17th century all cou debt arts  
1:33  
revolutions and Wars in the 19th and  
1:36

of the gift to hold and enhance their  
1:40  
power which is now the New World Order  
1:43  
the power of the gifts would extend  
1:45  
through the Italian financial centers to

families are very wealthy and maybe more  
4:19  
powerful today than when they sat upon  
4:21  
Thrones they are known collectively as a  
4:23  
black nobility privately these family  
4:26  
refuse to recognize any right to rule  
4:29  
except their own the fact that this  
4:32  
treaty was made long ago does not mean  
4:34  
it is void the treaty was placed in the  
4:37  
Congressional Record on April 25th 1916  
4:40  
by Senator Owen in 1948 George HW Bush

recognize the Bilderbergers as an  
5:07  
important force for the new world order

8:04  
Italy was chosen as a test target by the  
8:07  
committee of 300 Italy is important to  
8:10  
the conspirators plans because it is the  
8:12  
closest European country to the Middle  
8:15  
East and linked to Middle East economics  
8:17  
and politics it is also the home of the  
8:20  
Catholic Church which Weishaupt ordered  
8:23  
destroyed and home for some of Europe's  
8:25  
most powerful oligarchical families of  
8:28  
the ancient black nobility should Italy  
8:31  
have been weakened by Aldo Moros death  
8:33  
it would have had repercussions in the  
8:35  
Middle East which would have weakened US  
8:37  
influence in the region  
8:39  
Italy is important for another reason it  
8:41  
is a gateway for drugs entering Europe  
8:44  
from Iran and Lebanon various groups  
8:47  
combined under the name of socialism to  
8:50  
bring about the downfall of several  
8:52  
Italian governments since  
8:53  
Club of Rome was established in 1968

10:48  
Burgh group itself a cover for the  
10:50  
Bavarian Illuminati and it's Nazi  
10:53  
connections would probably be the best  
10:55  
place to start the key to the successful  
10:58  
control of the world is their ability to  
11:01  
create and manage savage economic

11:03  
recessions and eventual depressions the  
11:06  
committee of 300 looks to social  
11:08  
convulsions on a global scale  
11:10  
followed by depressions as a softening  
11:13  
up technique for bigger things to come  
11:15  
as its principal method of creating

masses of people all over the world who

British East India Company's servant

11:50  
strengthen the Zionist State of Israel  
11:52  
through identifying with the Jews  
11:54  
through the myth of God's chosen people

11:56  
and by donating very substantial amounts  
11:59  
of money to what they mistakenly believe  
12:01  
is a religious cause in the furtherance  
12:03  
of Christianity hooligans key was not  
12:06  
writing as a private citizen but a  
12:08  
Scottish national security advisor and a  
12:10  
leading member of the Club of Rome and a  
12:12  
member of the committee of 300 a member  
12:15  
of the CFR and as a member of the old  
12:17  
polish black nobility his book explains  
12:20  
how America must leave its industrial  
12:22  
base behind and enter into what he  
12:25  
called a distinct new historical era in  
12:27  
this regard of French black nobility  
12:30  
member he shined avignon as a member of  
12:33  
the committee of 300 was assigned a task  
12:36  
of collapsing the steel industry in the  
12:38  
US it is doubtful that any of the  
12:41  
hundreds of thousands of  
12:43  
steel workers and shipyard workers who  
12:45  
have been without jobs for the past  
12:47  
decade have ever heard of d'Avignon a  
12:49  
second assassination Bureau is located

12:52  
in Switzerland and was until recently  
12:54  
run by a shadowy figure of whom no  
12:56  
photographs existed after 1941 the  
13:00  
operations were and probably still are  
13:02  
financed by the ultra Mir family Swiss  
13:05  
black nobility owners of a Lombard India  
13:07  
Bank of Geneva a committee of 300

13:16

13:20  
closely allied with Allen Dulles and  
13:22  
jean de Menil an important member of the  
13:25  
committee of 300 and a very prominent  
13:27  
name in the oil industry and Texas Army  
13:30  
g2 records show that the group was  
13:32  
heavily involved in the arms trade in  
13:35  
the Middle East but more than that the  
13:37  
assassination Bureau made no less than  
13:39  
thirty attempts to kill general de  
13:41  
Gaulle in which Axtell was directly  
13:44  
involved the same Stowe was the contact

13:52

13:54  
Richard Gardner was sent to Rome on a  
13:57  
special assignment  
13:58  
Gardner married into one of the oldest  
14:01  
black nobility families of Venice thus  
14:03  
providing the Venetian aristocracy a  
14:06  
direct line to the white house the late  
14:09  
of a real Harriman was another of the  
14:11  
committee's direct links with the  
14:13  
Kremlin and the White House a position  
14:15  
inherited by Kissinger after Harriman's  
14:17  
death in 1986 in the order at st. John  
14:21  
of Jerusalem dr. Coleman wrote it is  
14:25  
therefore not a secret society except  
14:27  
where its purposes have been perverted  
14:29  
in the inner councils like the Order of  
14:31  
the Garter  
14:32  
which is a prostituted oligarchical  
14:34  
creation of the British royal family  
14:36  
which makes a mockery of what the  
14:38  
sovereign order of st. John of Jerusalem  
14:40  
stands for as an example we find the  
14:44  
Atheist Lord Peter Carrington who

14:47  
pretends to be an Anglican Christian but  
14:49  
who is a member of the Order of Osiris  
14:51  
and other demonic sects including  
14:53  
Freemasonry installed as a knight of the  
14:56

15:00  
Her Majesty Queen Elizabeth a second of  
15:02

15:05

15:07  
thoroughly despises fifteen point eight  
15:10

15:15  
- the committee of 300 a brief history  
15:19  
of world power the venetian black

15:25

15:30

15:35  
themselves Walter Rathenau 1909 founder  
15:39  
of the mammoth German General Electric  
15:42  
Corporation the committee of 300 is a  
15:45  
product of a British East India

15:47  
Company's Council of 300 the East India  
15:50  
Company was chartered by the British  
15:52  
royal family in 1600 it made vast  
15:56  
fortunes in the opium drug trade with  
15:58  
China and became the largest company on  
16:01  
earth in its time today through many  
16:04  
powerful alliances the committee of 300  
16:06  
rules the world and is the driving force  
16:09  
behind the criminal agenda to create a  
16:11  
new world order under a totalitarian  
16:14  
global government there is no need to  
16:17  
use they or the enemy except a shorthand  
16:19  
we know who they the enemy is the  
16:23  
committee of 300 with its aristocracy  
16:25  
its ownership of the US Federal Reserve  
16:28  
banking system insurance companies giant  
16:32  
corporations foundations communications  
16:35  
networks presided over by a hierarchy of  
16:38  
conspirators this is the enemy secret  
16:41  
societies exist by deception each is a  
16:44  
hierarchy with an inner circle at the  
16:46  
top who deceives those below with lies  
16:49  
such as claiming a noble agenda thus

16:51  
duping them into following a web of  
16:54  
compartmentalized complicity the inner  
16:56  
circle of a committee of 300 is the  
16:59  
Order of the Garter headed by Queen  
17:01  
Elizabeth Windsor the second it is  
17:03  
interesting to note that the Windsors  
17:05  
changed their name from the germanic  
17:07  
saxe-coburg-gotha during World War one  
17:10  
of anti-german sentiment the enemy is  
17:13  
clearly identifiable as the committee of  
17:16  
300 and its front organizations such as  
17:19  
the Royal Institute for International  
17:21  
Affairs Chatham House the Club of Rome  
17:24

17:51  
United Kingdom Elizabeth the second  
17:53  
the queen of the Netherlands the Queen  
17:55  
of Denmark and the royal families of  
17:57  
Europe these aristocrats decided at the  
18:01  
death of Queen Victoria the matriarch of  
18:04  
the venetian black ghost that in order  
18:06  
to gain worldwide control it would be  
18:09

18:14

18:19  
ultimate power were open toward the

20:34  
brilliant intellects assembled to form a  
20:37  
completely totalitarian absolutely  
20:39

20:42  
having drawn most of its ideas from the  
20:45  
clubs of Cultus Diabolique as it strives  
20:48  
toward a one-world government rather

20:50  
well described by one of its late  
20:52  
members H G Wells in his work  
20:55  
commissioned by the committee which was  
20:57  
boldly called the open conspiracy  
21:00  
blueprints for a world revolution most  
21:03  
of the committee of 300 immense wealth  
21:05  
arose out of the opium trade with China  
21:07  
and India obscene profits went straight  
21:10  
into the Royal coffers and into the  
21:12  
pockets of the nobility the oligarchs  
21:15  
and plutocrats and made them  
21:17  
billionaires the ordinary people of  
21:19  
China India and England profited nothing  
21:22  
from opium revenues in the same way the  
21:25  
people of South Africa black and white  
21:27  
never profited from the gold mining  
21:30  
industry whose revenues were piped  
21:32  
directly into the city of London banks  
21:34  
and merchant banks  
21:36  
the committee of 300 is responsible for  
21:38  
the phony drug wars here in the US these  
21:41  
phony drug wars were to get us to give  
21:43  
away our constitutional rights asset

21:46  
forfeiture is a prime example where huge  
21:49  
assets can be seized without trial and  
21:51  
no proof of guilt needed also the  
21:53  
committee of 300 long ago decreed the  
21:56  
gore shall be a smaller much smaller and  
21:58  
better world that is their idea of what  
22:01  
constitutes a better world the Myriad's  
22:04  
of useless eaters consuming scarce  
22:06  
natural resources were to be killed by  
22:08  
up to 99% industrial progress supports  
22:12  
population growth therefore the command  
22:15  
to multiply and subdue the earth found  
22:18  
in Genesis had to be subverted this call  
22:21  
for an attack upon Christianity the slow  
22:24  
but showed this integration of  
22:25  
industrial nation-states the destruction  
22:28  
of billions of people referred to by the  
22:30  
committee of 300 as surplus population  
22:33  
and the removal of any leader who dared  
22:35  
to stand in the way of the committee's  
22:37  
global planning to reach the foregoing  
22:39  
objectives not that the US government  
22:42  
didn't know but as it was part of the

22:44  
conspiracy it helped to keep the lid on  
22:47  
information rather than let the truth be  
22:49  
known queen elizabeth ii is the head of  
22:52  
the committee of 300 the committee of  
22:55  
300 looks to social convulsions on a  
22:58  
global scale  
22:59  
followed by depressions as a softening  
23:01  
up technique for bigger things to come  
23:03  
as its principal method of creating  
23:05  
masses of people all over the world who  
23:08  
will become its welfare recipients of  
23:10  
the future the current criminal agenda  
23:13  
of the committee of 300 is further  
23:15  
evidenced by recently leaked Club of  
23:17  
Rome documents as they describe how they  
23:20  
will use drugs to help stifle resistance  
23:23  
to their new world order scheme having  
23:25  
been failed by Christianity and with  
23:27  
unemployment rife on every hand those  
23:30  
who have been without jobs for five  
23:32  
years or more will turn away from the  
23:34  
church and seek solace in drugs by then  
23:37  
full control of the drug trade must be

23:40  
completed in order that the government  
23:42  
of all countries who are under our  
23:43  
jurisdiction have a monopoly in place  
23:46  
which we will control by controlling  
23:47  
supplies reaching the  
23:50  
drug bars will take care of the unruly  
23:52

24:01  
their Eastern liberal establishment

24:09  
Bush administration was allegedly  
24:10  
fighting was for the legalization of all  
24:13  
types and classes of drugs such drugs  
24:16  
are not solely a social aberration but a  
24:19  
full-scale attempt to gain control of  
24:21  
the minds of the people in the United  
24:23  
States at present this is the principal  
24:26  
task of the committee of 300 nothing has  
24:30  
changed in the opium heroin cocaine  
24:32  
trade it is still in the hands of the

24:35  
same upper class families in Britain and  
24:37  
the United States it is still a  
24:39  
fabulously profitable trade where what  
24:41  
appear to be big losses through  
24:43  
sometimes seizures of drug shipments are  
24:45

shall see certain Vatican leaders of  
26:56  
today seated on the committee of 300 the  
26:59  
committee of 300 appears to base much of  
27:02  
its important decisions affecting  
27:04  
mankind on a philosophy of polish  
27:06  
aristocrat Felix Circe Sinskey who  
27:09  
regarded mankind as being slightly above  
27:12  
the level of cattle as a close friend of  
27:15  
British intelligence agent Sidney Riley  
27:17  
Riley was actually dirt since Keyes

controller during the Bolshevik  
27:21

27:23  
confided in Riley during his drinking  
27:26

27:30  
beast who and the Red Terror apparatus  
27:32  
he once told Riley  
27:34  
while the two were on a drinking binge  
27:36  
that man is of no importance look at  
27:39  
what happens when you starve him he  
27:42  
begins to eat his dead companion to stay  
27:44  
alive man is only interested in his own  
27:47  
survival that is all that counts  
27:50  
all the Spinoza stuff is a lot of

Company chartered by Queen Elizabeth the

28:03  
European black nobility the black  
28:06  
nobility are the oligarchic families of  
28:08  
Venice and Genoa who in the 12th century  
28:11  
held the privileged trading rights  
28:13  
monopolies the  
28:15  
first of three Crusades from 1063 to  
28:20  
11:23 established the power of the  
28:22  
venetian black nobility and solidified  
28:25  
the power of the wealthy ruling class  
28:27  
the black nobility aristocracy achieved

28:30  
complete control over venice in 1171  
28:33  
when the appointment of the doge was  
28:35  
transferred to what was known as the  
28:37  
Great Council which consisted of members  
28:40  
of the commercial aristocracy a complete  
28:42  
triumph for them Venice has remained in  
28:45  
their hands ever since but the power and  
28:47  
influence of the venetian black nobility  
28:49  
extends far beyond its borders and today  
28:53  
it felt in every corner of the globe in  
28:55  
1204 the oligarchic families parceled  
28:59  
out feudal enclaves to their members and  
29:01  
from this epoch dates the great building  
29:03  
up of power and pressure until the  
29:05  
government became a closed corporation  
29:07  
of the leading black nobility families  
29:10  
it is important to note that the  
29:12  
European black nobility is responsible  
29:15  
for the insidious entanglements of  
29:17  
numerous secret societies lodges and  
29:20

30:36  
the fraud adepts are few and dupes many  
30:39  
typically the dupes are told lies that

their involvement is benevolent thus  
30:44  
they become unwitting accomplices and  
30:46  
crime this is why it is imperative to
